Carlos,

Thank you so much! Just to confirm, two tickets are complimentary, and only additional tickets beyond those cost \$95 a piece?

Thanks again,

Shannon

Shannon,

We are pleased to confirm Rep. Larson's ticket order for the upcoming Longhorn Football game against West Virginia on October 6th. His two complimentary tickets for his personal use will be available for him to pick-up in the Art Building on game day between 3:45 and 5:45 pm; kick-off is at 6pm.

We will deliver ticket pick-up and parking information, along with a map to his Capitol office before next Friday so that he can gain access to campus and make his way to the Art Building on Saturday. We do accept checks and credit cards for the additional tickets; unfortunately, we cannot accept cash. They are \$95 each.
